Golden Beach RESORT

from the desk OF LAWRENCE

The 2022 season is fast approaching us, and I couldn't be more excited! I know it's been a challenging couple of years, but I'm looking forward to a new season, seeing all your smiling faces and making new memories.

We have a great staff returning to us this year as well as a few new faces that I feel will be a great addition to the team.

I'm excited to introduce to you our new chef and restaurant manager Chef Joe. Joe comes to us with years of experience as an executive chef and specializes in all things culinary. Joe has managed multiple kitchens over the years and I'm grateful that he's chosen the Boathouse Café as his new home!

We welcome CJ to our team as the new events manager. CJ has an extensive background in event management and customer service. CJ is responsible for facilitating all aspects of organized events and adept at multi-tasking and developing creative solutions. CJ has a history of success in coordinating fun and exciting events for all ages and I guarantee you will hear her before you see her!

Our beloved Bekah is leaving us to focus on her growing family and future endeavors. We wish her the best and welcome her back with open arms anytime! I'm excited to have Amanda joining us as our front office manager. Amanda has years of admin experience including customer service, law clerk and admin management. I'm certain her infectious personality and attention to detail will be a great addition to the team.

I'm proud to announce Chris our previous maintenance manager has been promoted to Maintenance Director for all Great Blue Resorts. Although still apart of Golden Beach, Chris will be back and forth from resort to resort. We welcome Darrin to our team as the new Maintenance manager. Darrin's previous roles as Director of Environmental Services, Facilities Maintenance – HVAC, Electrical, Plumbing Maintenance and Repair, Grounds Maintenance and Facilities Technician has provided him with a wealth of knowledge and property expertise for Golden Beach Resort and Great Blue Resorts.

We have a ton of new and exciting things happening this season at Golden Beach. We've added new non-motorized equipment including canoes, paddle boats and even paddle boards! We will continue to have our Farmers Market every Sunday starting the first week of June through to Labour Day as well as live music every Saturday night starting on the long weekend of May through September!

Our store has never looked better, and we have a ton of new merchandise, essentials and treats for you to enjoy all thanks to our store manager Barbara. Our events calendar is full of outdoor movies, fireworks, campfires, music, sports trivia and more for you and your family to enjoy.

As the season is fast approaching, I'm looking forward to opening and creating the most memorable season yet! I'm confident we've created a fantastic team and look forward to welcoming you all back for the 2022 season at Golden Beach!
